Contract No. RD-103

SCHEDULE

SCOPE OF WORK

Under this Task Order No. 8, the Contractor shall furnish the necessary material and services for the design and development of an automatic AS-6 Data Telemetering System and the fabrication of a prototype AS-6 field unit and a prototype AS-6 base station. This program shall be performed in accordance with Contractor's letter (SDR 8-5006/02-1 58H-0557/1839) dated 9 January 1958, Exhibits "A", "B", "C" and "D" attached thereto, and Technical Proposal of January 1958 entitled "Proposal for Development of AS-6 Data Telemeter System (RDB-1000/40J)". The cited specifications are incorporated herein by reference and made a part hereof.

DELIVERABLE ITEMS

Items to be furnished under this Task Order shall be as set forth under Exhibit "A" of above cited Contractor's letter of 9 January 1958.

GOVERNMENT FURNISHED EQUIPMENT

In the performance of this Task Order, the Government shall furnish equipment to the Contractor as specified under Exhibit "D" of above cited Contractor's letter of 9 January 1958 and section 7.0 (page 85) of the cited Technical Proposal.

DELIVERY

The work to be performed and articles and reports to be furnished shall be delivered in accordance with Exhibit "C" of above cited Contractor's letter of 9 January 1958.

SHIPPING INSTRUCTIONS

All deliverable items shall be delivered FOB destination to whatever location within the continental limits of the United States as may be later stipulated by the Contracting Officer or his cognizant Project Engineer.

All deliverable items shall be packaged and crated, if applicable, sufficiently to preclude damage in transit by whatever means of public transportation considered by the Contracting Officer, as appropriate costs of restitution of deliverable items which may be damaged in transit shall not be reimbursable under the terms of this Task Order. The Contractor is authorized to obtain commercial insurance to cover his risk, the premium for which shall be an allowable charge to this contract.
